

HOME SCHOOL PARTNERSHIP PROGRAM

ELEMENTARY

An Extracurricular Partnership with Home Schooling Families

Westminster Christian School partners with home school families through our Home School Partnership (HSP) Program. HSP is intended to support home schooling parents by providing a variety of outstanding opportunities for students interested in curricular or extracurricular options outside of their home-schooling experience. Academic partnerships are available for students in grades 5-12, and extracurricular opportunities are available for students in grades 3-12.

Elementary Home School Partnership students are to complete a [Home School Partnership - Activities Application](#) (found on the [Admissions](#) page of our website) and submit the annual registration fee at the time of application.
