What S.H.A.P.E. am I?

Every Christian has a unique purpose and calling from God, and a variety of tools are used within churches and schools to assist people in discovering them. At Westminster, we use a series of assessments called “S.H.A.P.E.” to explore five key aspects of our design.

**Spiritual Gifts**—A set of special abilities that God has given you to share His love and serve others.

- Leadership
- Encouragement
- Pastoring
- Faith
- Wisdom
- Teaching
- Administration
- Giving
- Serving
- Missions
- Knowledge
- Discernment
- Evangelism
- Mercy
- Hospitality
- Intercession

**Heart**—The special passions God has given you so that you can glorify Him on earth.

To determine your heart and passion, consider questions like:

- What areas of service motivate or move you the most?
- Who do you most enjoy working with?

**Abilities**—The set of talents that God gave you when you were born, or that you have learned through experience, which He wants you to use to make an impact for Him.

- What talents or skills do you have proven ability and enjoy doing?
  (i.e. administration skills, computer, cooking, marketing, event planning, organization, photography, video production, fine arts, decorating, leadership, coaching, writing, etc.)

**Personality**—The special way God wired you to navigate life and fulfill your unique Kingdom purpose. Dominance, Influence, Steadiness, Compliance

**Experiences**—Those parts of your past, both positive and painful, which God intends to use in great ways.

By completing either the initial S.H.A.P.E. Assessments, or the Quick Connect S.H.A.P.E. Assessment, you will realize that you have been entrusted with a unique blend of talents and characteristics that God put there for a reason. Our hope and prayer is that you will be able to identify potential places of service that will help you fulfill your Kingdom purpose and calling whether it be at the school, your church or elsewhere.
