COVID-19 Plan:
Assuming Illinois is in Phase 4, with consideration regarding standards recommended by the Illinois State Theater and Performing Arts Mandates, Illinois Board of Education, American Choral Directors Association and the Musical Theater Education Alliance, Westminster Christian School supports the following health and safety plan for *Singin’ in the Rain* rehearsals and performances:

**Rehearsals**
- Any cast or crew member experiencing symptoms related to COVID-19 or having contact with someone who has tested positive must not attend rehearsal.
- All cast and crew members will have temperature checks prior to each rehearsal.
- Any singing will take place at a safe distance.
- Students and directors will wear masks when closer than six feet apart.
- Full cast rehearsals will be avoided as much as possible. When necessary, they will be socially distant and split up among various rooms.
- Devotionals and bonding time will take place in smaller recurring rehearsal groups, to reduce exposure to COVID-19.
- Hand sanitizer will be available at all times and there will be regular breaks to wash hands or apply hand sanitizer.
- Any forms (parent committee, audition, etc.) will be electronic.
